

GWC Grant Application 2021

Instructions for Filling Out the GWC Grant Application Form

To complete the GWC grant application form, you will need Adobe Reader or Adobe Acrobat. You can download the latest free version of Adobe Reader at <https://get.adobe.com/reader/>. (Tablet and smartphone versions can be downloaded from the Apple App Store or Google Play.)

Please download the GWC grant application form and save it on your computer or cloud drive with the file name *GWC Grant Application.pdf*.

Before beginning, please read through the entire form so that you will know what will be asked. That should help you focus your response to each question only on that point.

Complete the form by clicking inside each text field and typing. To select check boxes, simply click on the check box. On the signature line, type your name as the signature.

Note that some of the text fields are dynamic, meaning that they automatically resize the font to accommodate the amount of text you enter, up to the specified limits.

You can place your cursor in each field or press *Tab* to move forward to the next field or *Shift+Tab* to move backward to the previous field.

When finished, save the completed form as a PDF file (with the file name *GWC Grant Application.pdf*). Please **do not** print it out and scan it.

Download the verification checklist (at <https://www.greenwoodcf.org/greenwood-women-care/grant-application-process>) and ensure that all requirements are fulfilled.

Attach all required documents as separate electronic files to an email and send to gwc@greenwoodcf.org by 5 pm on August 31, 2021. **Please leave enough time to correct any problems with the submission before this deadline.**

If you have questions about this application or our granting process, please contact Mary Woodiwiss (864.223.1524, gwc@greenwoodcf.org) or Alison Fletcher (ajfletcher3@gmail.com).
