

GWC Grant Application Instructions 2026

The deadline for submitting applications is 5 pm on August 31, 2026.

Please leave enough time to correct any problems before this deadline!

DOWNLOADING THE APPLICATION FORM AND THE VERIFICATION CHECKLIST

Please download the *GWC Grant Application Form* and the *Verification Checklist* from our website (<https://www.greenwoodcf.org/greenwood-women-care/grant-application-process>). Save the application form on your computer (or tablet or cloud drive) with the file name *GWC Grant Application.pdf*. After saving the PDF file, do not copy it until you have answered the questions.

COMPLETING THE APPLICATION FORM

To complete the application form, you will need Adobe Reader or Adobe Acrobat. You can download the latest free version of Adobe Reader at <https://get.adobe.com/reader/>. Tablet and smartphone versions can be downloaded from the Apple App store or Google Play.

Before you begin, please read through the entire form so that you will know what will be asked. This will help you focus your response to each specific question.

Answer each question by clicking inside each text field and typing. To select check boxes, simply click on the check box. On the signature line, type your name as the signature.

Note that some of the text fields are dynamic, meaning that they automatically resize the font to accommodate the amount of text you enter, up to the specified limits.

You can place your cursor in each field or press *Tab* to move forward to the next field or press *Shift+Tab* to move backward to the previous field.

When you have answered all the questions, save the form as a PDF file with the file name **GWC Grant Application.pdf**. **Please do not print and scan it.**

Go through the verification checklist to ensure that all requirements are fulfilled.
